

Pomology and Viticulture Program Presents Workshops on:

Fruit Production in Idaho: Principals and Practices

University of Idaho Pomology and Viticulture Program in Parma is offering free Fruit Production workshops every winter. This year, we offer three workshops, each in a different location and date. Please send your choice of location and date back to us immediately (by the end of Tuesday the 21st) so we can schedule accordingly. Since we have limited seats available, please send your first, second or third choices by simply marking 1, 2, or 3 in your preferred spots. Please send back your choices to: maurineb@uidaho.edu or call Dakota at (208) 291-6241 as quickly as possible.

Choice 1: Wednesday, Jan. 29 at Camille's Beckman, Eagle, Idaho (Total of 80 Seats) 175 S. Rosebud Lane, Eagle, ID	Choice 2: Thursday, Jan 30 at University of Idaho, Parma Research Center, Parma, Idaho (Total of 80 Seats) 29603 U of I Lane, Parma	Choice 3: Saturday, Feb 1 at Western Laboratories, Parma (Total of 110 Seats) 211 US-95, Parma, ID 83660
